kirstymarshallfilm@gmail.com

With both a creative and practical way of thinking, I always bring flexibility to my work, able to adapt quickly to project requirements. A problem solver at heart, I remain calm under pressure and always communicate effectively. I bring a strong work ethic to all my roles with a positive and inclusive attitude which has an infectious influence on team environments.

producer, etc.

TPP Global Productions | Producer

Mar '26 - Sept '26

I am currently on a 40 hour per week retainer on a maternity leave cover. As a producer, I am responsible for working with clients such as Xero, The Coffee Club and Discovery Parks from initial briefing all the way through to delivery, managing all stages of production for social media content, advertisements and corporate films.

Wāhine Waveriders Documentary | Producer, Director, Editor

Mar '24 - Pres

I produced and directed this documentary after meeting three generations of females while surfing at the bottom of Aotearoa's south island. The film is currently touring around the world.

Football Australia: Charles Perkins XI Video | Producer, Director, Editor

2024

Working directly with the GM on capturing content of the launch of the Charles Perkins XI team and tournaments, I worked alongside a camera operator to build up a large pool of footage alongside editing a 10 minute documentary.

Trail Towns TV show | S1: Shooter Producer, S2: Series Producer

2021 - 2023

I worked as a producer from development working as a shooter producer in season one and was then promoted to series producer for season two. This show was broadcast on the SBS in Australia and was purchased up by Foxtel and a handful of international airlines.

Queer Sporting Alliance | Content Producer (volunteer)

2021 - Pres

The Queer Sporting Alliance is Australia's largest LGBTQIA+ sporting organisation. Working directly with the president and the board I have produced (shooting, editing and directing) multiple sponsorship films, brand films, event recap films and social media assets for the club.

50Kal Communications | Senior Producer

2018 - 2021

50 Kal Communications is a creative agency who produce brand documentaries for international organisations such as Salesforce, G2 and Tempur Mattresses. I managed the client as well as all stages of production.

The Garden Gurus | Field Producer

2020 - 2022

Freelance Field Producer for all Melbourne segments; managing on-location production during shoot days, coordinating crew and the presenter, and ensuring the smooth execution of filming and delivery of footage and scripts to the post production team in Perth.
